

## Pathways into engineering and technology (UK).

National certificate (NC) (SCQF 6/level 3) in Computer Aided Design Higher national certificate (HNC) (SCQF 7/level 4) in Computer Aided Design

Modern apprenticeship (SCQF 6/7) or Higher apprenticeship (level 4) in Engineering Operations

Engineering operative

**CAD technician** 

Foundation apprenticeship (SCQF 6) or Advanced apprenticeship (level 3) in Engineering

Higher national certificate (HNC) (SCQF 7/level 4) in Manufacturing Engineering/Software Engineering/Mechanical Engineering/Electrical Engineering. Honours degree (SCQF 10/level 6) in Manufacturing Engineering/Software Engineering/Mechanical Engineering/Electrical Engineering.

Manufacturing systems engineer

## **Uptree**
