

School workshop & assembly presenter.

Uptree are looking for brilliant presenters to deliver inspiring assemblies to students in our partnership schools across **Bristol, Hertfordshire, Essex** and the UK.

In your school assemblies, you'll meet whole year groups where you'll show them the value of networking and motivate the students to attend some great work experiences with top companies.

You'll also get to go work directly with the young people by leading workshops with groups of up to 40 students who have a particular interest in careers such as technology, engineering, finance, business, banking etc. The resources you'll teach with are co-created with our partner companies so that the information is really useful, relevant and up to date.

It's an exciting role and genuinely makes a difference to the lives of some of the brightest but most underrepresented students across the UK.
